PILOTS OF KCOE video Now Available: Check it out at: https://www.youtube.com/watch?v=hCvTo3cKS0c Thanx Cynthia Marlette

Stancraft Jet Center now hosts a Customs Clearing Service: Stop by for a visit Wed - Sundays 0900 - 1700

Idaho Aviation Association: Council (U82) Fly-In Breakfast and STOL Performance Tune-Up: Saturday May 6, 2023 / Weather Alternate Saturday May 13, 2023, 8 a.m. Mountain Time Come join the Treasure Valley Chapter for a spring fly-in and STOL Performance Tune-Up at the Council Airport (U82). The Council Airport commission is hosting and allowing us to place temporary performance markers on RWY 17 as we all try to "knock off the rust" from our long winter naps! We will have a series of "performance marks" beginning 200 feet from runway end and continuing every 50 feet to the 500-foot mark. These marks (a 2-foot x 2-foot white chalk box) allow you to more accurately determine a landing point and takeoff and landing/rollout distance as you practice and improve your STOL and landing on a point skills. May 6, 2023 @ 0800 to 1700 Mountain time Idaho Aviation Association, Crista Worthy, Editor <editor@idahoaviation.com>

FUN THOUGHT: "You can't fly unless you can land, but you can't land unless you can fly. So, which is it?" Thanx to W Bender, CdAAA member, extraordinaire.
